Applicant name: GN Netcom A/S  
Model number: Jabra OTE7

IC: 2386C- OTE7

Gentlemen,

GN Netcom A/S hereby requests confidentiality of the Block diagram, Circuit diagrams, the parts lists and the operational description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product, which GN Netcom A/S considers to be proprietary, confidential, and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, GN Netcom A/S considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
