Suite 300  
Falls Church, VA 22046

Model: VTD040; FCC ID: BCE-VTD040; IC: 2386C-VTD040

**To Whom It May Concern:**

GN Audio A/S declare that the Jabra PanaCast 50 Video Bar System operates under the definition of a DFS client device without radar detection.

The client firmware will not initiate any transmission on DFS frequencies 5260-5320 MHz and 5500-5720 MHz without initiation by a master device. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

A handwritten signature in blue ink, appearing to read "Steen Kaiser".
