EMC 3165

U.S.
FCC ID: BCG-A1858

FC

Canada
IC: 579C-A1858
CAN ICES-3
(B)/NMB-3(B)

<u>Model A1859:</u>

Model A1859
EMC 3166

U.S.
FCC ID: BCG-A1859

FC

Canada
IC: 579C-A1859
CAN ICES-3
(B)/NMB-3(B)

Users can access the E-Label screen on Apple Watch by going to
Settings > General > Regulatory.

These steps are shown in the Regulatory section of the printed "Apple Watch Info
Guide", included in the packaging box with the product.

Extract of the Regulatory section from the Apple Watch Info Guide is shown below:

> Regulatory Regulatory information, certification, and compliance
> marks specific to Apple Watch are available on Apple Watch.
> Go to Settings > General > Regulatory. Additional regulatory
> information is in "Safety, Handling, and Support" in the Apple
> Watch User Guide.

The Regulatory information is programmed in a secured manner. End-users or third
parties cannot modify the Regulatory information page on the device.

Product Packaging Label is shown below:

The product is packaged individually.

Models A1858:

FCC ID: BCG-A1858
IC ID: 579C-A1858
