

Date: 23 September 2024

TUV SUD Product Service Octagon House Concorde Way Segensworth North Fareham Hampshire PO15 5RL United Kingdom

Subject: Certification Application, Cover Letter

FCC ID: BCGA3247

To whom it may concern

We, **Apple Inc.**, are applying for an FCC grant for a **Single Certification** of the device: **iMac**

The **iMac**, Model **A3247** is a desktop computer, with built-in IEEE 802.11a/b/g/n/ac/ax, Narrowband UNII, Thread and Bluetooth radio.

The product has been tested against CFR 47 parts:

- 15B
- 15C
- 15E

The measurement facility is on file with FCC under the US-EU MRA, with the designation number **UK0010** and **UK2011**.

Yours faithfully,

A) homas
