

The logo for Andrew, featuring a stylized red and black graphic above the word "ANDREW" in black capital letters.

ANDREW

FRONT

BACK

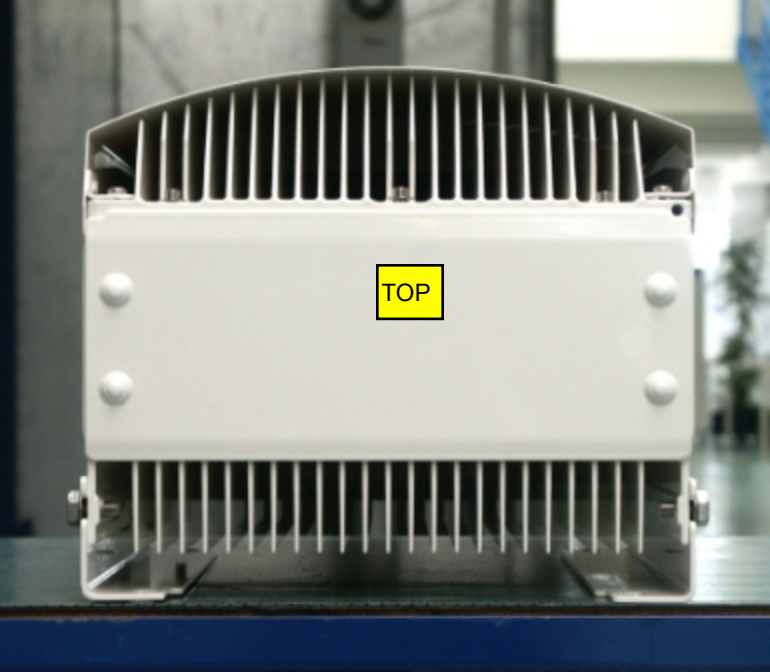

The image shows the back of a white, rectangular laboratory instrument. It features a large central panel with vertical ribbing. The panel is flanked by two vertical white supports, each with a semi-circular cutout at the top and bottom. At the bottom left, there is a small circular knob and a small square button. At the bottom center, there is a rectangular slot. The instrument is placed on a light blue surface against a light gray background.

LEFT SIDE

RIGHT SIDE

A white, rectangular electronic component with a central label. The component has a series of vertical fins on the top and bottom edges, suggesting a heat sink or ventilation system. The central label is yellow with a black border and contains the word "TOP" in black capital letters. The component is mounted on a dark surface, and the background is blurred, showing industrial equipment.
