These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors. The User Manual is only provided for use by trained technicians and is not available to the general user from Andrew's website.

We request confidentiality for the Internal Photos as this product is a non-consumer device that is inaccessible to the public and is only serviceable by the licensee or his designated technicians.
