Gentlemen :

The attached information is a description of Iwatsu Electric Co., Ltd.'s
3 meter semi-anechoic chamber test site located in Suginami-ku, Tokyo
Japan which was filed at last time in August 10, 2000.(Registration
Number:90718)

This report is submitted to your office for registration and qualification
as an FCC approving test site RFI/EMC measurements in compliance
with the requirements of Section 2.948 of Subpart J, Part 2, FCC
Rules.

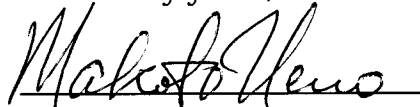

The measured data of site attenuation characteristics (3 meter) shows
that they conform to the theoretical curves, and are within the
tolerance as described in ANSI C63.4-2003.

This semi-anechoic chamber is opened to the public on a fee basis.

Please advise us if you find any complaint with your recommended
requirements.

If you desire any additional information, please contact us.

Sincerely yours,

Makoto Ueno
