RE: relevance of the test results for FCC

- Test results from original test reports GSM(No.-6-0082-11-1-2a) and WCDMA(No.-6-0082-11-1-2b) according to FCC Regulations part 22 & Part 24 of the original grant remains valid and applicable to Calgary Communicator Model 7000C and they are representative of the compliance for this EUT.
- The product remains compliant with all the applicable rules and requirements for FCC as of September 9, 2013, and the RF Data Module LISA-U200 (FCC ID: XPYLISAU200) is being installed/operated according to the original approval.

Choose certainty.
Add value.

Sincerely,

Juan Manuel Gonzalez
EMC Engineer
