Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: **Lifeline Systems Inc.**

FCC ID: BDZAT410

To whom it may concern,
Request is hereby submitted by **Lifeline Systems Inc.**, to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Internal photos

Rationale for request for confidentiality:

Lifeline Systems Inc. wishes to keep these items confidential to maintain a competitive advantage in the marketplace.

Lifeline feels that there are a number of competing units that are less efficient than the AT410 and would rather not identify our system for public access.

Sincerely,

Lifeline Systems
