Columbia, MD 21046  
USA

We, LG Electronics Inc., declared that an AUT report is not required for this device based on below.

Only radiated measurements have been conducted to demonstrate compliance with FCC limits for this device. The EIRP limit under §15.255 (C)(2)(v), which applies to this device, does not include a conducted output power limit and this device is not subjected to §15.255(e).

Therefore, AUT Report is not required for the evaluation of this device and has not been submitted in this application.

If you have any question or comments, please contact the undersigned.

Sincerely Yours,

A handwritten signature in black ink, appearing to read 'D. Kim'.
