Attachments: Operational description.pdf; test report.pdf

Operational description.pdf (7. MB)

test report.pdf (2 MB)

Dear Mike Kuo,
I send two revised files (Operational description and test report)
Thank you,
Yang.

Hi Mr. Yang:

Q#1: The operational description submitted is for PDP display but not for LCD, please provide the correct one.
Q#2: 3 frequencies test result of line conducted emission in page 12 of test report were missing, please have a check and complete them.
Q#3: It is always to add FCC ID on the test report per FCC Part 2 section 2.955.

FYI: This device is also subject to verification as a TV receiver that additional test regarding TV receiver should be verified.

Best Regards,

Mike Kuo

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
