Modular Approval Request Letter

AUDIX Technology Corporation.

Aug. 15, 2012

Dear Application Examiner,

The WLAN Adapter Card, modem name is PW-MN5275, FCC ID: *BEJ9QK-DMPWMN5275*, would like to have your authorization as a modular approval specific to the mobile device such as digital device emissions,

The requirements of Public Notice DA00-1407 have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding.":

Yes, the radio portion of this module has been shielded, please see exhibition External Photo.

2. "The modular transmitter must have buffered modulation/data inputs."

Yes, he buffer is invisible for embedding in chip.

3. "The modular transmitter must have its own power supply regulation."

Yes, the EUT has its' own power supply regulation.

4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)."

Yes, the EUT meets the FCC antenna requirements. The spurious emission, the antenna is PCB antenna and intergrated.

5. "The modular transmitter must be tested in a stand-alone configuration"

Yes, the EUT was tested in a stand-alone configuration via an USB cable. Please see section Photographs of Test Configuration in the test report.

6. "The modular transmitter must be labeled with its own FCC ID number."

Yes, this module has been labeled with its' own FCC ID number. Please see exhibition Label Sample for the FCC ID of this module. And also in the exhibition Users Manual, there are instructions give to the OEM on how to label the end product.

7. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements."

Yes, the EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.

8. "The modular transmitter must comply with any applicable RF exposure requirements."

Yes, the EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Sincerely Yours,

A handwritten signature in blue ink that reads "Ben Cheng". The signature is written in a cursive style and is positioned above a horizontal line.

Mr. Ben Cheng
