SUBJECT: **LG Electronics Inc.**
FCC ID: BEJCU400
TC Number: TC624259

Gentlemen:

On behalf of LG Electronics Inc. we request that the FCC ID Label and Location be superseded because the label location reveals a photo of the back of the EUT. This is very urgent for our client because this photo will give their competitors an unfair marketing advantage. A revised FCC ID Label and Location has been uploaded which excludes the EUT photo.

Should you have any questions or comments concerning the above, please contact the undersigned.

Randy Ortanez
President
