Request for Tech. Info.: 09/12/03

Dear Martin:

Transmitted herewith, on behalf of **LG ELECTRONICS, INC.** is an amendment provided in response to the request for technical information dated, September 12, 2003.

1. Please find attached a list of the actual changes made to the device.
2. Please note that this filing was tested under dual-slot mode, hence, the head SAR was significantly higher. The hardware changes in the phone also had some effect on the SAR, but we did not test each individual change component separately.
3. Please find attached the user's manual with revised body-worn statement.

We trust this information is sufficient to resolve FCC questions in this application. If you have any further questions, please do not hesitate to contact us.
