Hi Steve,  
Thank you for your e-mail.  
I confirm it hasn't been marketed yet.  
Additionally, it'll be marked with HAC.  
Should you have any question, please let me know.  
Thank you!

Best regards  
Han.

Hi Han,

Can you confirm with us that GD570 class 2 models (now has HAC) will not be marketed without HAC? As you know, the original grant has no HAC, and it is not permitted to sell one model with two different HAC Rating (i.e. one no HAC, one without HAC).

Best Regards,  
Steve
