Attn: Director of Certification

SUBJECT: LG Electronics Inc.
FCC ID: BEJLGSBWAC93
Class II Permissive Change
Orig. Grant Date : Jan 04, 2022

Gentlemen:

This is to request a Class II permissive change for FCC ID: BEJLGSBWAC93.

This is an application for a Class II Permissive Change Certification of the WiFi module.

There are no any changes including software, hardware or electrical modifications to the applicable modular transmitter.

There is no change in antenna. Antenna used in host device is identical to WiFi module.

The device is identical to the previously WiFi module except for the following changes

The change filed in this application is:

RF exposure condition

Following condition was changed to original condition.

	Original	Change
RF exposure condition	Minimum distance 20 cm between the radiator and human body	Installed in Digital Flat Panel X-ray Detector manufactured by applicant.

sincerely,

Dated this 04 Day of January 2022

Signature

A handwritten signature in black ink, appearing to be 'Eunyeo ko', written above a horizontal line.
