Certification Division
47173 Benicia Street
Fremont, CA 94538, USA

FCC ID: BEJLUV300

To Whom it may concern:

We, LG Electronics, would like to get the FCC certification for the power schematics change from AC(120V) to DC(12V).

Sincerely,

A handwritten signature in black ink, consisting of a stylized character followed by the letters 'JC' and a long horizontal stroke underneath.
