Declaration Letter

FCC ID: BEJTF24IENE2

This device is integrated with the certified module. (FCC ID: BEJTM15FNNATY0)

The module installed in final product is identical, and in the same configuration with the approval module.

Only uplink CA for intra-band(5B) is disabled through the software.

The module reports are submitted to represent the compliance of conducted antenna-port conducted items of this device.

The Output power was verified to the same as the module. Refer to module report for antenna-port conducted test results.

Radiated tests are performed on the final product and the new test results were reported.

Module Report No.: DRTFCC2302-0009, DRTFCC2302-0010, DRTFCC2302-0012

Sincerely,

Contact Name: David Kim
