

# LETTER OF ATTESTATION

## Limited Module

8 April 2024

We, as a grantee and responsible party of following FCC ID, hereby attest use of limited module.

FCC ID: BEJTM16FNNABM0

Antennas are mounted on the host equipment and this module was tested with host equipment. As this module was not tested as standalone configuration, we would apply certification for this module as limited modular approval.

This module will solely be used for LG Electronics Inc. (including affiliates) and will not be sold to anybody else without having C2PC procedure for either standalone configuration or additional host equipment. Therefore, use of this module will be limited to our own and compliance on other configuration will be observed all the time.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Kim'.
