RE: FCC ID: BEJVX8370 (Class II)

Applicant: LG Electronics Inc.

Correspondence Reference Number: BEJ91464
Confirmation Number: 912071464-66
Date of Original Email: December 14, 2009

Subject: Request for additional information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. The PCS band conducted output levels, in multiple operating modes, are more than 0.5 dB less than the corresponding levels in the original application. Has

the tune-up power range been modified? Please provide a copy of the tune-up procedure, showing the power range applicable to the modified EUT.

-> "We, LG Electronics Inc., hereby declare that the above referenced FCC ID has never been marketed in the US. This Class II permissive change represents the units that will be marketed and manufactured in production. There is no change in max power for this device."

The item indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,
Gregory Czumak
