Re: Change of Identification Authorization

FCC ID: (certified FCC ID number)

Date: Dec. 07, 2004

To Whom It May Concern:

This letter grants authorization for representatives of Toshiba TEC Corp. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Toshiba Corp. Bluetooth Module, FCC ID: CJ6UPA3232BT, granted on 10/16/2003.

The equipment is electrically identical to each other with the only change being the labels on the device.

The original test results continue to be representative of and applicable to the changed equipment.

Sincerely,
