FCC ID: BJIOH-96001

Canada ICES-003 Class B Canada NMB-003 Classe B

This device complies with Part 15 of the FCC Rules.

Operation is subject to following two conditions:

- 1) this device may not cause harmful interference and
- 2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment does not exceed Class B limits per radio noise emissions for digital apparatus, set out in the Radio Interference Regulation of the Canadian Department of Communications.

For RS-422, See manual.

Cet équipement ne dépasse pas les limites de Classe B de rayonnement des bruits radioélectriques pour les appareils numériques, telles que prescrites dans le Règlement sur le brouillage radioélectrique établi par le ministère des Communications du Canada.
