Re: FCC ID: BMTLPV10A, Form 731 Filing
Confirmation #: 454421

Dear Sir:

We formally request type acceptance for the LPV10A aka LPV-100A Alaska Special VHF Broadcast Transmitter under FCC Rule Part 74. We further request certification for analog operation and digital operation under Rule Part 74. This transmitter is utilized for 8VSB digital video, or data transmission in systems. We request that the grant include the following specifications.

Rule Part	Frequency Range	Frequency Tolerance	Emission Designator	Output Power
74	54-88 MHz	1000 Hz	6M00KiD	10 Watts (Average)
74	174-216 MHz	1000 Hz	6M00K1D	10 Watts (Average)

The test report filed under this application will demonstrate that the LPV10A complies with all relevant rules for digital operations under Part 74.

Thank you in advance for your understanding and cooperation.

Please contact me if you need additional information or clarification of items in our filing.

Sincerely,

James A. Yard, CEO
