Hello Carl,

The review of your application is complete. There was only one item that requires a revision or clarification as shown below. If you have questions, please contact me.

Q1 Please include a specific reference in the test report to the test methods of EIA/TIA 603C: 2004 and confirm that the substitution method was used for radiated emissions measurements.

Best regards,

Tim Dwyer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Hello Tim,

Attached is the updated report with reference to the TIA-6030C-2004 testing.

Please let me know is this is adequate.

Thanks

Carl
