Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission's rules, we hereby request that the following documents be held confidential:

- Schematics
- Block diagram
- Bill of Materials/Parts List
- Technical/Operational Description
- User Manual
- Internal Photos

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

In addition, we hereby provide additional justification to request the user manual and internal photos provided, as held under long-term confidentiality in accordance with FCC rules for this non-consumer device. These exhibits are for licensed professional use only and not made for public use. These exhibits are kept in secured file at Harris facility for licensed operators only designated by Harris. NDA process is used to control non-authorized use of the manual.
