Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Office of ATC Spectrum Engineering Services has received the Thales Air ATM Inc., notification letter dated August 27, 2007, regarding request for Federal Communications Commission (FCC) certification of the High Power Distance Measuring Equipment (DME), Model #: 435HPDME, FCC ID: BOJ435. We have reviewed the subject letter and additional requested information, and have no objection to the FCC granting certification for this 435HPDME equipment for use as a navigation aid in the NAS.

If you require any additional information, please contact Ms. Annette Allender, Spectrum Planning and International Office, at (202) 267-3893.

Sincerely,

A handwritten signature in black ink, appearing to read 'Robert A. Frazier'.

Robert A. Frazier  
Manager, Spectrum Planning  
and International Office
