INNER CIRCUIT TOP VIEW

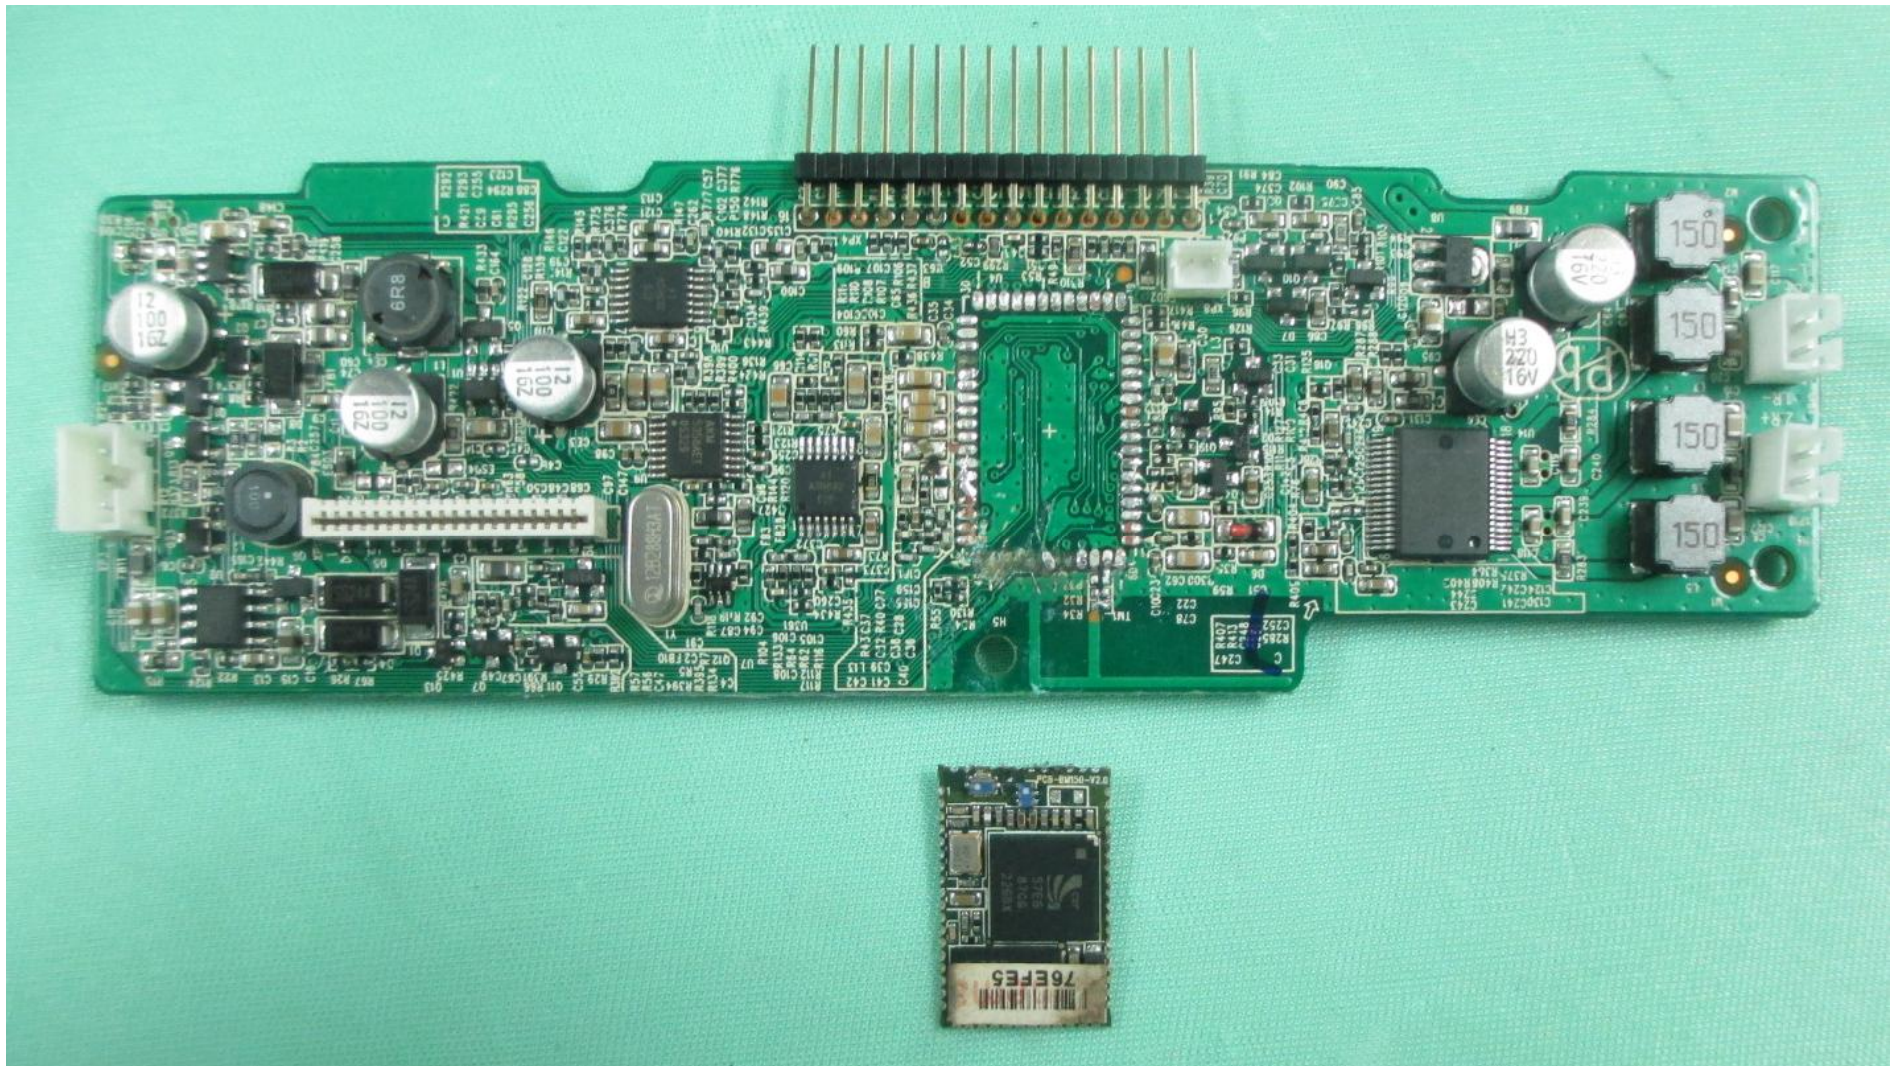

The image displays three distinct printed circuit boards (PCBs) against a light blue background. The top PCB is a large, brown, irregularly shaped board with two large circular cutouts. It features a central 'LOGO' box, a 'PB' logo, and the text '40-SB5200-FREIG'. It has several connectors, including a large multi-pin connector at the bottom and two smaller connectors at the top. The bottom-left PCB is a smaller, brown board with a circular cutout, featuring a 'PB' logo and the text '40-SB5200-FREIG'. It has a multi-pin connector on the left and a circular component on the right. The bottom-right PCB is a green board with various electronic components, including capacitors, resistors, and integrated circuits. It has a barcode with the text '76EFES' and a 'PB' logo. It has a multi-pin connector on the left and several connectors on the right.
