Subject: Explanation on BT Module bearing BLE function

Product Description: Smart display

Model No.: MTXW100X150, MTXW100C300

FCC ID: BP9-MTXW100X150

To Whom It May Concern:

Our BT Module bears BLE function itself, therefore it is natural that the BT Module DATA SHEET bear BLE function. For this MTXW100X150 model, as we adopted BT(BDR/EDR) only, in result, when manufacturing, we disable the BLE function and enable BT(BDR/EDR) only.

Sincerely yours,

---
