RE: Authorization & Anti-Drug Abuse

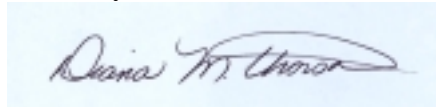

Dear TCB:

Data Critical Corporation, an operating entity of GE Medical Systems Information Technologies, hereby authorizes TUV America to act as our agent in all matters relating to the FCC application for equipment authorization for the DT-7000 and DT-7001. This authorization includes signing all documents relating to the FCC application.

I further certify that the applicant nor any part to the application is subject to a denial of Federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 USC Section 862.

This authorization expires on 1 December 2003.

Sincerely,

A handwritten signature in cursive script, reading "Diana M. Thorson", is displayed on a light blue rectangular background.
