Subject: Letter of Clarification and Notification of Verification Compliance – 5KW FM Transmitter

References:

- 1) Application for Certification FCCID BQQ82H815D5 dated November 2, 2004.
- 2) Equipment Authorization System (EAS) correspondence reference number 28158.

Dear Sir:

Upon further understanding of the equipment authorization process for Part 73 AM, FM, or TV transmitter services (reference Section 73.1660(a)(1)), DRS Broadcast Technology requests the application for certification under FCCID BQQ82H815D5 dated November 2, 2004 be dismissed and replaced by this letter of compliance.

This letter notifies the FCC that our new 5KW FM Transmitter (815D5) has been tested and is in compliance with the Verification requirements of Part 2 (Section 2.902, and Sections 2.951 through 2.956).

Should there be any further questions, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald H. Brown, Jr.", with a stylized flourish at the end.
