ATTESTATION STATEMENT

Declaration on Electrically Identical Models

TO WHOM IT MAY CONCERN

We, Oticon, Inc. declare on our sole responsibility that the models

R1 and R2 are identical in hardware and should be certified

under FCC ID: BRG-T21 and IC: 1351B-T21

The only differences between the new (R1) model and the original (R2) model are:

R2 has the ability to manually scan channels.

R1 does not have the ability to manually scan channel. This is done via software and removal of the scan switch.

We attest that above changing are not relevant for any RF behaviour where it is subject to regulatory Items.

Therefore Cetecom Test Report(s) 2-4293-02-05/06 and 2-4293-02-04-B/06 are applicable for all models.

If you have any questions, please feel free to contact us at the address shown below

Sincerely,

Michael L. Gibbs
