To Whom It May Concern:

Product: PowerSafe Receiver
Model: SPMAR12310T

This is a request for a Class II Permissive Change to FCC ID: BRWAR9130T which was granted on September 28, 2017 and IC: 6157A-AR9130T which was granted on October 02, 2017.

The component manufacturer has been changed, and some components such as resistance and capacitance have been changed by the new component manufacturer. The electrical specifications of the changed components are the same as the original ones.

The RF module has not been changed and the components and circuits of the RF module have not changed.

There has not been a change to block diagram, circuits, schematics, layouts or operating instructions.

We have had the unit tested to ensure that compliance with the original grant is maintained.
