RE: FCC ID BRWDAMTX10 Permissive Change

Gentlemen:

We understand that for hand controllers using the module listed in the grant we will include information in the operators manual that states "To meet rf exposure requirements maintain a separation distance of at least 5 cm between the antenna of this device and all persons."

Sincerely,

A handwritten signature in black ink that reads "Steven A. Hall". The signature is fluid and cursive, with the first name being the most prominent.
