

PROTECTING PEOPLE AND ASSETS

**Date: Tuesday, 29 September 2022**

**Federal Communications Commission**

**Authorization and Evaluation Division**

SUBJECT: Internal Photographs/ FCCID: BUV-DEFENDERSK850 / Model Number: Defender/

To Whom It May Concern: Internal images of the High Frequency S-Band (Defender) system RF components used in the manufacturing of Defender show various assembly pictures of the RF components as they are purchased from different manufacturers. Enterprise Electronics Corporation does not manufacture any of these RF components and are purchased as off-the-shelf from other manufacturers.

Sincerely,

Richard A Stedronsky  
Enterprise Electronics Corporation
