Subject: Response to Inquiry to FCC (Tracking Number 259295) (TCB)

Importance: High

Inquiry on 09/20/2017 :**Inquiry:**

Dear FCC,

We are requesting audit mode for the the following filing due to the customer requesting non-confidential exhibits be held confidential. They wish to supersede their confidentiality letter and upload an NDA exhibit and hold exhibits internal photos, user manual, tune up procedures, and schematics as long term confidentiality. Please find their attached request letter.

FCC ID: BUV-SK1000H
TC195114

Thank you,

Timco Engineering Inc.

FCC response on 09/20/2017

The updated confidentiality request letter and NDA were not included in the attachments. Internal photos and User Manuals are not routinely available for long term confidentiality unless special conditions exist. Please review with applicant Section II. 3) of KDB Pub 726920 D01 and provide specific justification as to how the special conditions described therein are being met. Please also provide the NDA for review.

---Reply from Customer on 09/20/2017---

Hello,

Please find the attached revised confidentiality request letter and the NDA. We have sent the applicant the Section II. 3) of KDB Pub 726920 D01 and are awaiting their reply for the justification letter.

Thank you,
Timco Engineering Inc.

---Reply from Customer on 09/20/2017---

Hello,

Please find the attached revised confidentiality request letter and the NDA. The confidentiality letter should provide the justification on why they need the internal photo and user manual confidential per the Section II. 3) of KDB Pub 726920 D01.

Thank you,
Timco Engineering Inc.

FCC response on 09/21/2017

Applicants request is approved.

The application is in audit mode. Please upload the new confidentiality request along with the NDA and a copy of this correspondence to the filing. Let us know when complete.
