

DWSR-2001X Internal 1  
DWSR-2001X Internal 2

Pursuant to 47 CFR 0.459 of the FCC Rules, DWSR-2001X Internal 1 and DWSR-2001X Internal 2 are photos of the internal Parts and Locations. These photographs should be withheld from public inspection as they depict proprietary design techniques, methods of interconnection, and identify specific components and placement within an enclosure that is only accessible by qualified technicians appointed by the licensee.

DWSR-2001X PL 1  
DWSR-2001X PL 2

Pursuant to 47 CFR 0.459 of the FCC Rules, DWSR-2001X PL 1 and DWSR-2001X PL 2 should be withheld from public inspection. These Parts List contain proprietary information relating to the design of the product. The parts list contain part numbers and vendor information not available to the public. These parts lists are only provided to customers purchasing the product, under agreements of non-disclosure, to facilitate part identification for spare parts management.

DWSR-2001X Schematics 1  
DWSR-2001X Schematics 2

Pursuant to 47 CFR 0.459 of the FCC Rules, DWSR-2001X Schematics 1 and DWSR-2001X Schematics 2 should be withheld from public inspection. The schematic diagrams depict specific proprietary design information in great detail. The schematic diagrams are used internally as the fundamental building blocks of EEC systems. The schematic diagrams are only provided to customers purchasing the products, under agreements of non-disclosure, to facilitate field repair of the products, and are not available to the public.

A handwritten signature in black ink, appearing to read 'Alton J Drummond Jr', with a long horizontal flourish extending to the right.

Alton J Drummond Jr  
Field Service Engineer  
Enterprise Electronics Corp.
