Confidentiality request for BeoCom 2

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We hereby request that the schematics diagrams, circuit diagrams and circuit descriptions required to be submitted with this application be withheld from public review. The reason is that it may cause financial damage to our company if this information is available to our competitors.

Please contact me if there is any information you may need.

Sincerely,

Michael Andreasen
Quality manager
