

This device complies with Part 15 of the FCC Rules. Operation is subjected to the following two conditions:

- (1) this device may not cause harmful interference, and
 - (2) this device must accept any interference received, including interference that may cause undesired operation.
- Any modifications made to this device that is not approved by the supplier may void the authority granted to the user by FCC to operate the equipment.

This class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la Classe B conforme à la norme NMB-003 du Canada.

PARAMOUNT SEAL

Label Here

Read this first! This file is used for one product (Designator + Variants) and one brand only. Different marking can occur for different markets. If possible, we use one label with the assembled information for all common markets. If not possible (e.g. due to lack of space on the label), one worksheet represent one market.

Product: **DB1-A3** Brand: **Ascom** Market for this label: **EU/EFTA, US, CAN, AUS**
 Latest updated: **2011/11/30** Eventually future market for product:

Product label 1	Best fit label size:		Comments
	58,6x68,4	250690B	1) /xx=Product revision 2) S/N: = unique product number
			

Product label 2	Best fit label size:		Comments
	73,6x32,1	250691A
