

# LBL0242

**Read this first!** This file is used for one product (Designator + Variants) and one brand only. Different marking can occur for different markets. If possible, we use one label with the assembled information for all common markets. If not possible (e.g. due to lack of space on the label), one worksheet represent one market.

Product: **DH5-AABxxx** Brand: **Ascom** Market for this label: **EU&EFTA, AUS, US, CAN**  
 Latest updated: **2010-04-15** Eventually future market for product:
