

TO WHOM IT MAY CONCERN

Gothenburg, 23rd August 2016.

MODEL DIFFERENCE LETTER, IC: 3724B-DH6

This letter is to explain the differences between the different variants of Ascom DH6 handsets with the following model numbers:

DH6- ABAA	Ascom d43 EU, NA
DH6- CBAA	Avaya DH6 Cordless Phone, EU, NA Basic
DH6- DBAA	Mitel DH6 Cordless Phone, EU, NA Basic

For Brand:

- The branding plate is different (plastic marking).

For Features:

- All features are the same. All three models are electrically identical and use the same antenna, RF and power output.

Ascom (Sweden) AB takes full responsibility for above products and certifies that test data represent compliance for all three models.

All plastic parts are the same between the versions.

Best regards,

Emma Lindquist
