

Göteborg, 31 May 2006.

LIST OF CHANGES

To Whom it may concern,

Ascom Tateco AB hereby declares that Ascom models TYRA-0002/xx & TYRA-0001/xx (FCC ID: BXZTYRA) are electrically identical to the originally approved Mitsumi Electronics Co. LM. radio module WML-C29 (FCC ID: POOWML-C29XX). The only difference is that Ascom use an own antenna.

Antenna specification:

Antenna type: PIFA, integral
Max Antenna gain: -4dB

Sincerely,

Signature
