Re: FCC ID BZ5MXI401UD

Dear Sir:

With regards to our request for confidentiality, we formally request confidentiality for exhibits including the service manuals and schematics documents submitted as part of this application. While these documents do not contain design-specific or IP information, they are typically offered for sale as an optional part of the product and are not available in the public domain, since these items represent a source of revenue for the company.

Sincerely,

A handwritten signature in black ink, appearing to read "John Tremblay". The signature is fluid and cursive, with the first and last names being clearly legible.

John Tremblay
V. P. Engineering
