Re: FCC ID BZ5MXI401UD

Dear Sir:

With regards to the frequency of operation stated on form 731, this should be modified accordingly state two separate frequency ranges of 470 – 608 MHz and 614 – 806 MHz. The operation of this device on frequencies in the range 608-614 MHz is prohibited as per FCC regulations. We will endeavor to inform our customers of this fact when the products are sold.

Sincerely,

A handwritten signature in black ink, which appears to read "John Tremblay". The signature is stylized and fluid.

John Tremblay
