**Subject: Cover Letter for FCC application for Certification of FCC ID: C3K1634**

TO WHOM IT MAY CONCERN:

Model 1634 is a 2.4 GHz FHSS radio module. It is a module that goes inside a display to communicate with a wireless input device, which will be certified separately, and interfaces with the system via USB.

This is to seek an original modular approval on Model 1634, as compliant with FCC 15.249.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Johnson".
