Subject: Qualcomm® FastConnect™ WIFI TAS

February 20, 2024

To Whom it May Concern:

This letter is being provided to **UL LLC** to attest that all of the steps required to establish a capability for performing time varying testing in accordance with following FCC and ISED approved procedures:

1. 80-39282-6: Qualcomm® FastConnect™ WIFI TAS Time Varying Validation
2. 80-39282-8: Qualcomm® FastConnect™ WIFI TAS Time Varying Validation (ISED)

Qualcomm Technologies Inc. makes no representations or warranties regarding the services provided by third parties, including without limitation, support services for FastConnect provided by a third-party compliance lab. Any such third parties are not agents or subcontractors of QTI (or its affiliates), and OEMs use the services of such third parties at their own risk. Any such third parties are independent contractors and have

no authority to bind QTI (or its affiliates). The OEM is not an intended third-party beneficiary of any agreement entered into by and between QTI (or its affiliates) and any such third-party, and any claim that the OEM has against any such third parties will be brought solely by the OEM against such third parties and not against QTI (or its affiliates).

Sincerely,

A handwritten signature in blue ink that reads "John Forrester".
