Re: Change of Identification Authorization

FCC ID: QDS-BRCM1006

Date: June 17, 2003

To Whom It May Concern:

This letter grants authorization for representatives of Microsoft Corporation to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to **Broadcom 54g WLAN Cardbus PC Card**, FCC ID: QDS-BRCM1006, granted on 12/12/2002.

The equipment is electrically identical, the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Sincerely yours,

A handwritten signature in black ink that reads "Chris McGough". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Chris McGough
Manager of Compliance Engineering
