Hi,

For your question in attached comment:

1) Done ! The EUT is not submitted to a limited modular approval. So the
revised operational description has been submitted to you.
2) Done ! The EUT has only one antenna. Due to our typing error. The
revised report has been submitted to you.
3) Done! We already put an updated plot in the test report. The revised
report has been submitted to you.
4) Done! The revised users manual has been submitted to you.
Thanks!
