Dear Mr. Mike Kuo

Hello!

I'm fine.

We would like to apply for **FCC class II permissive change** of video cassette recorder of Daewoo Electronics Corporation.

It is applied with 3 alternate tuners.

We have tested the DUT for "Radiated Emissions", "Conducted Emissions", "Output Signal Level Measurements", "Output Terminal Conducted Spurious Emission" and "Transfer Switch Isolation Measurements".

If there is any problem in uploaded files or you cannot read it, please inform to me immediately.

I hope your kindness.

Merry Christmas & Happy New Year~!
