EUT- Top View

EUT- front View

EUT- back Side View

EUT – back Side View showing battery compartment

The image shows a black Comtek M-175 handheld radio. The battery cover is open, revealing the internal battery compartment. The cover features a label with the following text: "FCC ID: C6ZM175", "M-175", and "Made in U.S.A. S.G. UT.". There is also a small logo for "COMTEK" and "S.G. UT.". The radio is placed on a blue surface next to a ruler for scale.

A photograph of a thin, light-colored cable, possibly a medical or scientific probe, laid out on a blue, wrinkled fabric surface. The cable is coiled into a large loop. At one end, there is a black connector with a gold-colored clip attached. At the other end, there is a small, black, L-shaped connector. A ruler is placed horizontally below the cable, showing measurements in centimeters from 1 to 22. The ruler is marked with black numbers and lines.
