Reference FCC Filing for T6T 100 HS

Dear Sirs,

Regarding our applications for FCC certification on the above product please be advised that the model T6T 100HS (C8LB63100HS) will have the following Part 15 label attached:

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions: (1)  
This device may not cause harmful interference, and (2)  
this device must accept any interference received,  
including interference that may cause undesired  
operation.

Yours sincerely,

Allan Horsfield  
Consultant Engineer  
EMC and Approvals
